THIS IS YOUR MINISTRY

To be effective leaders we must know what we are expected to do...

	DURING MEETINGS	BETWEEN MEETINGS
GATHER Invite current or potential members into your connect group.	Build authentic relationships, through sharing hearts and being transparent with one another.	Build friends with existing group members and seek to invite new ones.
DEVELOP Take each person to the next step in their spiritual growth or leadership.	Create a place where truth meets life.	Shepherd members and develop upcoming leaders.
SERVE Complete ministry takes together.	Plan and prepare for strategic serving opportunities.	Serve outside the group or serve together as a group.
